Chief Clerk/Executive Director,
Public Service Commission of South Carolina

Re: • Your Standing Hearing Officer Directive

Ms. Boyd:

This correspondence is responsive to your Standing Hearing Officer Directive, dated February 25, 2021.

I undertook an electronic search of Commission Dockets to locate Dockets in which the South Carolina Solar Business Alliance, Inc., (“SCSBA”) is an active party of record. Those Dockets appear at the top of your Standing Hearing Officer Directive and I confirm that those Dockets should have a substitution of the Party in interest from SCSBA to the Carolinas Clean Energy Business Association, (“CCEBA”).

I assume that your Order was out of the same concern that I hold. Namely, that a Docket in which SCSBA is a Party of record, might be overlooked. To alleviate that concern, I respectfully suggest that any final Order approving the substitution of CCEBA as a Party in interest for SCSBA, include the following language,

“If at any time after the date of this Order, it is discovered that an additional Docket(s) exists in which SCSBA is a Party of interest, and that Docket should be updated to show CCEBA as the current Party in interest, correspondence to this Commission so stating, will be served on all counsel of record in that Docket(s). If no objection is raised, that Docket(s) may be administratively updated by the Commission staff to show CCEBA as the Party in interest in that Docket(s), without additional Commission action.”

Please advise if you require any additional information and this correspondence is,

Respectfully Submitted,

/s/Richard L. Whitt
